Campus Community-FUG
May 27, 2011 9:00-10:00 a.m.

Attendees: Charlene Stenson, Sandy Fried, Ladona Malachowski, Mary Bergstrom, Garrie Etherton, Chelsea Larson, Sandy Hill, Allison Peyton, Rohit Kulkarni, Crystal Bradley

Agenda item #

1. Residency reporting updates is #10 on overall projects list on status report. There has been no response back from the Board Office in regard to the questions forwarded by the Definitions Group.

2. MN reciprocity - Charlene stated that the Admissions FUG group discussed and clarified how all NDUS schools will code MN students. Students who have just graduated from a MN high school in the spring and then attend a ND school in the fall will be marked with MN reciprocity for their residency. If a MN student has been out of high school for more than one year, Home Schooled or received their GED they will be coded as MHEC. Once the student has completed the MN reciprocity form and the NDUS school has been notified, then does the residency change to MN reciprocity.

3. Collaborative items- There were a couple of concerns to the Collaborative Report. The first being that the csv format is not correct. How can we change this report? The Student Finance User Group has some requests for changes which will be looked into after the Tool upgrade. The second concern was on the Run Control page, to have either the home campus or the provider campus run this. Mary will need to take this back to the Collaborative group to discuss.

   Mary will be sending Charlene/Greg the status report each month to include with the agenda.

   Bio-demo training is being discussed and planned for the end of July in various locations around the state. Mary and Charles will be training on cause and effect of information found under bio-demo.

   Chelsey Larson had asked about Minnesota Reciprocity rejections. Mary discussed with Ginny Dodds about having the files from the past three years looked into. The revised reports from 2003 - 2011 were sent to Ginny for their review and use.

4. Rohit discussed that the Comm Gen process had been run by one school and had some bounces as we are able to send to anyone. A question on how we can search for a student by email will be looked into by Mary and Dennis to see if there is a possibility to add a page. Mary thought it would be best if FA put a request in for this, which Rohit stated that the FA group had decided to do this as of 5-26. This will be worked on in June by Rohit, Mary and Dennis. There was also a question on whether a search can be done for more than one email at a time.

5. Mary then went through the Status Report. Clarifying where each item in each section is currently at.
