Position Title: Web Applications Developer

Salary: $50,000+ per year

Closing Date: Open until filled. Screening will begin January 23, 2013

Description: Located in the Grand Forks NDUS System Information Technology Services office, the Web Applications Developer is responsible for the design, development, and maintenance of applications and sites, including requirements gathering, database design and architecture, and programming.

Minimum Qualifications: Associate or Bachelor’s degree in Computer Science, Information Management System, Software Engineering or related technical field.

Preferred Qualifications: 3 – 5 years experience in web development or related field, including exposure to database design, development, and optimization.

To Apply: Applicants should send a cover letter specifically addressing the advertised qualifications, a current resume, a transcript (if the position requires a degree), and the names and contact information (including telephone numbers and e-mail address) for three professional references, either electronically (preferred) to emily.bredin@ndus.edu or by mail to Emily Bredin
North Dakota University System
4300 James Ray Drive, Stop 7131
Grand Forks, ND 58201
by the close of business on the screening date. Veterans claiming preference must submit all proof of eligibility by the screening date. Proof of eligibility includes a DD-214 and, if claiming disabled status, a current letter of disability.

THE NORTH DAKOTA UNIVERSITY SYSTEM was organized in 1990. It is made up of 11 public colleges and universities governed by the State Board of Higher Education. The NDUS is composed of two doctoral-granting institutions (NDSU and UND), two master's granting institutions (MISU and VCSU), two universities that offer baccalaureate degrees (DSU and MASU), and five campuses that offer associate and trade/technical degrees (BSC, LRSC, MISUB, NDSCS, WSC).

The GRAND FORKS community offers an environment with the great amenities offered in larger urban areas, and the safety and convenience of a small community. Greater Grand Forks is an impressively cosmopolitan city, boasting a regional population of roughly 98,000 spanning two states.

Some of the features that make the community a great place to live are diverse educational opportunities, safety and low crime rate, parks and theaters, and a cost of living considerably lower than that found in large cities.
