2005 Fall Enrollment

**North Dakota Institutions
of Higher Education**

February 2006

Report prepared by:

Julie Schepp, Academic Affairs Associate and Director of Research, NDUS
Gina Padilla, Administrative Secretary/Academic Affairs Assistant, NDUS

With Assistance From Institutional Officials

2005 FALL ENROLLMENT

PUBLISHED BY:

NORTH DAKOTA UNIVERSITY SYSTEM

State Capitol
Bismarck, ND 58505

February 2006

ACKNOWLEDGMENTS

Included in this publication are the enrollment data supplied to the North Dakota University System by North Dakota institutions of postsecondary education. The staff of each institution responsible for supplying this data deserve special thanks from the System office and every consumer of this report.

DEFINITIONS

AUDIO:

ONE-WAY AUDIO – An audio communication from the instructor to the student where the student cannot provide an audio response (e.g. radio, audiotape).

TWO-WAY AUDIO – A conference, most frequently used over the telephone between two or more remote locations with live, audio transmission.

CD ROM – Communications using a compact disc with read-only-memory.

COMBO – A combination of any of the delivery methods with no one method providing 50% or more of instruction.

CORRESPONDENCE – An independent study course in which all communications between the instructor and student is accomplished through the mail or fax. Instruction is given by means of a course syllabus, textbooks, video and audio cassette, and additional reference and instructional materials.

CREDIT HOUR – The unit by which an institution measures its course work for application towards a degree. Historically, each credit hour involves 15 or 16 fifty minute periods of instruction, or the equivalent.

DEGREE CREDIT – All instructional activities that can be applied toward college degree or credit based remedial courses taken by degree seeking students as reported to IPEDS.

DUPLICATED COUNT – An enrollment count in which an individual student may be counted more than once because they are enrolled in more than one medium (e.g. face to face, correspondence, IVN) or more than one campus.

E-LEARNING – Courses delivered through a technological medium. This category includes audio, video, cd rom and internet delivery of courses and excludes correspondence and face to face off campus.

FACE-TO-FACE – This term is used to describe the traditional classroom environment where the instructor and students are physically located in the same place.

FACE-TO-FACE OFF CAMPUS – Describes the traditional classroom setting where the instructor and students are physically located in the same place in an off campus location.

HEADCOUNT ENROLLMENT – Number of students enrolled at the institution following the fifteenth day of classes of the term. Each student equals one headcount, regardless of credit hours taken.

FULL-TIME ENROLLMENTS – Number of headcount students enrolled at the institution following the fifteenth day of classes of the term who are taking twelve or more credit hours.

FULL-TIME EQUIVALENT ENROLLMENT BASED ON STUDENT CREDIT HOURS – The total accumulative student credit hours by campus divided by the following:

Undergraduate	16 credit hours (100-400 number courses)
Graduate	12 credit hours (500 and above number courses)
Professional	Same as headcount — Law and Medicine
Occupational	16 credit hours – Selected Programs

FULL-TIME EQUIVALENT ENROLLMENT OF PART-TIME STUDENTS – The student credit hours accumulated at the undergraduate level divided by 16 plus the student credit hours accumulated at the graduate level divided by 12.

PART-TIME STUDENTS – The headcount enrollment of students enrolled for fewer than 12 credit hours.

INTERACTIVE VIDEO NETWORK (IVN) – A video conferencing network that provides two-way audio and two-way video allowing the teacher and students to be in different locations yet see and hear each other.

INTERNET:

ONLINE – Courses, discussions, or other communications occurring in an electronic format via the Internet.

ASYNCHRONOUS INTERNET – Online discussions occurring independent of time or location, e.g. email.

SYNCHRONOUS INTERNET – Online discussions occurring independent of location, but at the same time (real time), e.g. internet chat.

PRERECORDED VIDEO OR AUDIO – A video or audio communications that has been prerecorded on videotape or cassette. Recordings often complement other teaching methods, and content may be ongoing class sessions or specially produced for independent study.

STUDENT – All students taking degree credit courses, irrespective of the time of day or workload of the student.

BEGINNING FRESHMAN STUDENTS – A student attending any institution for the first time at the level enrolled. Includes students enrolled in the fall term who attended a postsecondary institution for the first time at the same level in the prior summer term. Also includes students who entered with advanced standing (college credit earned before graduation from high school, e.g. dual credit.)

GRADUATE STUDENTS – Students who hold the bachelor's or first professional degree, or equivalent, and are enrolled in a graduate degree program.

NON-RESIDENT STUDENTS – Nonresident students, for the purposes of this report, are students from any state other than North Dakota.

PROFESSIONAL STUDENTS – Students who have completed the baccalaureate degree and are enrolled in a post-baccalaureate program leading to a professional degree in law or medicine.

RESIDENT STUDENTS – Resident students, for the purposes of this report, are students having legal domicile in North Dakota.

SPECIAL/UNCLASSIFIED STUDENTS – Students taking undergraduate or post-baccalaureate level credit courses without declaring an intention to earn a degree, diploma, or certificate although taking courses in regular classes with other students. This category also includes students who cannot be classified by academic level. High school students enrolled in college classes are considered special/unclassified students.

TRANSFER STUDENTS – A student entering the reporting institution for the first time but known to have previously attended a postsecondary institution at the same level, e.g. undergraduate, graduate). The student may transfer with or without credit.

TRI-COLLEGE STUDENTS – Students enrolled at Moorhead State University or Concordia College but also registered for one or more courses at NDSU.

UNDERGRADUATE STUDENTS – Students who are enrolled in an undergraduate program. The year-level designation of undergraduate students is determined by institutional policy.

STUDENTS' REPORTED HOME ADDRESS – The official home address as reported by the student. If no address is reported, the parents' address and then the local campus address is used.

TUITION RESIDENCY STATUS – Official institutionally determined residence for tuition purposes.

TV BROADCAST – Communication using the capabilities of educational television broadcasting over established cable networks or otherwise. Programs can be viewed live or prerecorded for a later pre-determined time for viewing.

LIVE – Faculty and students are in different locations at the same time. Only faculty member will be seen by the student, e.g. educational television network.

PRERECORDED – Faculty and students are in separate locations at different times. A course on the educational television network may be prerecorded for later pre-determined times of viewing.

VIDEO

ONE-WAY VIDEO – A conference between different locations where the communication links are made between orbiting satellites and various points on Earth. The video connection only allows for the faculty member to be seen and heard by the students.

TWO-WAY VIDEO – A video and audio communications session between two or more remote sites with live, animated image transmission and display. This connection allows for both the faculty and students to be seen and heard by each other.

UNDUPLICATED COUNTS – Students taking courses at more than one campus or through more than one instructional medium in the same semester are counted once.

NOTES

Under Enrollment Policy 440 adopted by the State Board of Higher Education in April of 2001, all degree credit enrollments are included in this report. The new policy is consistent with National IPEDS enrollment reporting. Prior to the Fall of 2001 some degree credit enrollments taught under “continuing education” or “self-support” were not included in semester enrollment reports. It is estimated that no more than 1,300 additional headcount enrollments were added to the Fall 2001 Enrollment Report as a result of the policy change. Since most of these students were only enrolled in one course the policy change does not have a major impact on full-time equivalent enrollments.

HC-Headcount

All students enrolled regardless of number of credit hours

FT-Full Time

Students enrolled in 12 credit hours or more

FTE - Full Time Equivalent

Undergraduate student credit hours divided by 16 = FTE
 Graduate student credit hours divided by 12 = FTE
 Vocational student credit hours divided by 16 = FTE
 Professional students in law and medicine counted as one per enrollment

Note: Information includes students in extended degree programs and students jointly enrolled through collaborative program arrangements. Prior to 2001 BSC, MiSU, NDSU, UND and to a lesser extent MaSU, WSC, VCSU, and LRSC had degree credit continuing education enrollments which were not included in the semester enrollment report.

NDUS Unduplicated Total										Unavailable⁷				

¹ The correct instruction mode was being miscoded causing inconsistencies in reporting enrollment by all delivery methods; therefore, we are unable to provide a breakdown of E-Learning as previously reported in Table 9A.

² Reflects enrollment in each distance education delivery method. If for example a student is taking both a correspondence course and an e-learning course, this same student would be reported twice in the duplicated enrollment total.

³ Reflects unduplicated headcount enrollment for total distance education. If for example a student is taking both a correspondence and e-learning course, this student would be counted only once in the unduplicated distance education total.

⁴ This is a conservative count of students known to be counted only once by a campus or the system for the system total. The actual unduplicated counts are probably higher for campuses with students with insufficient identification information. If for example, a student that is taking a correspondence course and a face to face on campus course, they would be counted only once when sufficient identification information is provided.

⁵ Students provided insufficient identification information to determine if they were duplicated enrollments, or, students' instruction mode was miscoded.

⁶ Enrollments are unduplicated at campus level but are duplicated at system level. Thus, a student who is taking courses simultaneously at two different campuses would be included in the NDUS total twice but only once in the NDUS unduplicated total.

⁷ We are unable to report an accurate unduplicated count across all campuses this fall because some courses were incorrectly coded; students who were enrolled in both undergraduate and graduate courses were not counted correctly; and there were inconsistencies in using the instruction mode code.
