As employers, the State of North Dakota and political subdivisions prohibit smoking in all places of state and political subdivision employment in accordance with N.D.C.C. § 23-12-10.

Applications for public employment will be confidential unless deemed a finalist. Public entities including the State Board of Higher Education and NDUS institutions shall determine finalists for open positions consistent with N.D.C.C. Section §44-04-18.27. Applications for public employment of non-finalists and any records related to those applications which contain information that could reasonably be used to identify an applicant are confidential.

Equal Opportunity Employer: The State of North Dakota and this hiring agency do not discriminate on the basis of race, color, national origin, sex, genetics, religion, age, or disability in employment or the provision of services, and complies with the provisions of the North Dakota Human Rights Act.

THE NORTH DAKOTA UNIVERSITY SYSTEM was organized in 1990. It is made up of 11 public colleges and universities governed by the State Board of Higher Education. The NDUS is composed of two doctoral-granting institutions (NDSU and UND), two master's granting institutions (MISU and VCSU), two universities that offer baccalaureate degrees (DSU and MASU), and five campuses that offer associate and trade/technical degrees (BSC, LRSC, MISUB, NDSCS and WSC).

The GRAND FORKS community offers an environment with the great amenities offered in larger urban areas, and the safety and convenience of a small community. Greater Grand Forks is an impressively cosmopolitan city, boasting a regional population of roughly 98,000 spanning two states. Some of the features that make the community a great place to live are diverse educational opportunities, safety and low crime rate, parks and theaters, and a cost of living considerably lower than that found in large cities. FARGO has been named one of the most desirable places in the country to live by Money magazine. Located in the rich farmlands of the Red River Valley, the Fargo-Moorhead community (population 208,000+) has many qualities that contribute to this reputation, including highly-respected educational opportunities, advanced medical technology, a progressive business community, numerous cultural and arts opportunities, a clean environment and good-hearted, friendly people. Fargo's revitalized downtown has gained recent national publicity through such media outlets as

the Los Angeles Times, The Today Show, National Public Radio and MSN.com. To learn more about the community's quality of life, visit www.fmchamber.com.
